## JUVENILE PROBLEMS STUDIED

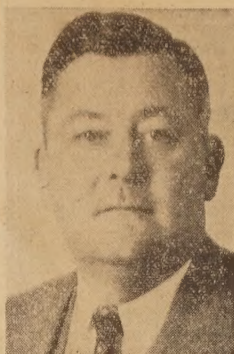

A Town Meeting was held at Albany's Cornell School Monday night at the request of Governor Wright, who has requested citizens throughout the State to hold similar gatherings to discuss this vital problem.

Many experts were in attendance, leading separate panel discussions throughout the evening. Later reports from each group, with suggested answers, were given to the town group.

The meeting was opened by Mayor Lewis A. Howell of Albany who later turned the meeting over to George Chessum, head counselor of Albany High School. Prof. A. S. MacCormick, University of California criminologist, was the guest speaker.

Six major suggestions were made by the study groups. They suggested that teenagers have responsibility and discipline at home; that recreation and their group centers should have their own boards of control; that their leadership is needed in youth recreation projects; that parents would set the example for their children in church participation; that parents participate in more activities with their children; that schools should teach a hygiene course which would stress dangers of drinking, narcotics and other subjects.

Among the prominent civic figures in attendance were Municipal Court Judges Louis J. Hardie and Raymond C. Staats; Albany Superintendent of Schools, Dr. Paul C. Ryan; Board of Supervisors Chairman Kent D. Pursell.

WM. T. DONAHUE

## Wm. T. Donahue Asks Relection To City Council

In announcing his candidacy for his re-election to the Albany City Council, Councilman William T. Donahue presents his many years of experience and participation in the services of the City of Albany. As an independent candidate, his past devotion to the interests and problems of home owners and citizens has gained for him the endorsement of large numbers of business people, property owners, taxpayers and organizations.

Councilman Donahue, who served on the Albany Planning Commission for approximately eight years prior to his election to the City Council, has always been interested in community betterment with progress that is confined within the economical range of the taxpayers he represents. Probably no better illustration of this fact could be presented than, while during his incumbency and partially due to his endeavors, steady progress and improvements have been made in the City of Albany without any increase in taxes while taxes in surrounding areas have soared upward.

During his four year term on the City Council, Mr. Donahue has not only received recognition for his honest endeavor to best serve the citizens of Albany, but he has won the approval of officials from surrounding cities, counties and the state level of government for his fair, impartial and friendly manner of representing his City.

Mr. Donahue, who resides with his wife and son in their home at 727 Spokane Avenue, has always been very active in civic affairs. Since the start of Albany Civil Defense he has been Chief of the Warden Service. He is a member of the Y.M.I. Council No. 96 and is a member and past president of the Albany Eagles. He is the owner and manager of a paint and wallpaper store. Last week the Richmond Rotary Club showed their faith in his administrative ability by unanimously electing him president of their organization of approximately 175 business and professional men.

JEROME BLANK

## Jerome Blank Is Candidate For Relection

Jerome Blank, prominent Albany Realtor and insurance man for the past 10 years, and for 6 years a member of the City Council, has just announced his candidacy for re-election to that body at the coming city election on Tuesday, April 10.

Blank owns and operates the Jerome Blank Realty at 1530 Solano Avenue; he has been a director of the Berkeley Realty Board for several years, and this year holds the position of vice-president; he also is a State Director of the Berkeley Board in the California Real Estate Association.

First elected to the Albany City Council in 1950, he was re-elected in 1952 and served for two years as the city's mayor. He is chairman of the Council's Finance Committee, and of the Public Works Committee. For the past 5 years he has been the Albany representative on the Alameda County Highway Advisory Committee.

Blank is a member of the Albany Junior C. of C. of which organization he was president in 1950; recipient of the "Young Man of the Year" award of that organization in 1952; member of Albany Post 292 of the American Legion; member of the Albany Exchange Club, and a director of the Albany Solano Avenue Merchants Association.

He is a graduate of the Albany schools, and of the University of California. He has been a resident of Albany for 31 years. Aged 35, he resides with his wife, Muriel T., at 1013 Ramona Avenue. They have two children, Marcia Jane, 6, and Deborah, 4. Marcia Jane attends the Marin School.

He served for 4 1/2 years in the Navy in World War II as a lieutenant, and holds a commission as lieutenant-commander in the Naval Reserve. During the War he served as gunnery officer on the heavy cruiser Louisville, and saw action at Guadalcanal, Kwajalein, Eniwetok, Hollandia, New Guinea, Palau, Saipan, Tinian, Guam, and in the Aleutian campaign.

"I am proud to have been a member of the Finance Committee of the City Council during the past six years when the general tax rate of the City has not gone up a single penny," Blank declared. "During this time the cost of government has increased tremendously, and we have given several well-deserved pay increases to our city employees."

"If reelected I pledge myself to guarding our low tax rate, while at the same time working hard to give the people of Albany good, efficient, honest government. While I am supported by many individuals and organizations, I am an absolutely independent candidate and will vote only for those measures that will contribute to the general welfare of the people of Albany."

## Thousand Oaks OES Will Meet Monday

Thousand Oaks Chapter No. 375, Order of the Eastern Star, will hold a stated meeting Monday night, March 19, at 8 o'clock at the Thousand Oaks Masonic Temple, Colusa and Catalina Avenues, Berkeley. Thousand Oaks Assembly No. 33, Order of Rainbow for Girls will visit the chapter on that night and has prepared a special program for the occasion. Norma Petty is Worthy Advisor of the Assembly and Mrs. Ruth Hall, P.M. of Rainbow Chapter, OES, of Sacramento, is Mother Advisor.

Eva Yeoman will be banquet room chairman. Blanche Parnelli, Worthy Matron and Joseph P. Sanchez, Worthy Patron, will preside.

## PLANS LAID TO RELIEVE HILLTOP HAZARDS

The city council held an open hearing Monday night for the discussion of ways and means to relieve the present hazardous traffic conditions at the Washington St. crown of Albany Hill.

Suggestions were submitted in writing by City Engineer Howard B. Carter and Chief of Police Ralph Jensen. There was no opposition from the residents of that area who were present to the suggestions presented, but it was generally agreed the most feasible solution would be a parking ban on both sides of Washington for a reasonable distance on each side of the summit. A summary of the discussion was ordered sent to Jensen and Carter for further study, with a request that they report to the council at next Monday's meeting.

There was further study of the Home Industry ordinance which has been under study for some time. It was brought out that many residents are engaged in home industry at the present time, and under regularly issued business licenses. According to the city attorney many of these licenses are illegal, and have been issued under a misapprehension of the terms of the existing ordinance. Some of these licenses are expiring or have expired, but may not now be legally renewed under the city attorney's ruling. However, in view of the fact that it will be some weeks before the proposed new ordinance can be placed in operation, a temporary emergency ordinance is to be considered next Monday which would provide for the issuance of temporary permits extending existing licenses until the new ordinance could become effective.

At that time the temporary ordinance would be automatically repealed. Resolution No. 2059 A.N.S. requesting the Alameda County Highway Advisory Committee to advance the priority on the re-vamping of the Albany Overpass, plans for which include duplication of the present overpass on the seaward side to carry three lanes of southbound traffic, while the present overpass would be relined to carry three lanes of northbound traffic. Under present priority this work is not likely to be started for several years. This was approved unanimously.

This advance in priority has been stimulated by the numerous accidents which have occurred on the overpass—part of the State Highway System—with serious injuries and at least one fatality. The hope is to get the work started during the 1957-58 fiscal year. The program for the 1956-57 fiscal year is too far advanced to be changed.

The council also passed Resolution No. 2060 authorizing the mayor to execute an agreement for the continuing of the polio vaccine program for another year.

## Albany High 12 Friendship Party At 12 Noon Today

The Albany High Twelve Club will hold its annual Friendship Party on Friday (today), March 16, at noon. The meeting is being held at Spenger's Pacific room, with President Judge Louis Hardie presiding.

Co-chairman Cecil Lavers and Roy Harford have planned a fine program of food and fellowship, complete with an outstanding speaker in Sheriff Jack Gleason. Sheriff Gleason, in his usual informal manner, will discuss modern up-to-date sheriff's facilities.

Hardie urges all members to attend and bring a guest since this meeting particularly is based on the attendance of business and professional men around town who are not members of the group.

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (27:29): "Nothing we can say or believe regarding matter is immortal, for matter is temporal and is therefore a mortal phenomenon, a human concept, sometimes beautiful, always erroneous."

The following is among the passages to be read from the Bible (Isaiah 44:9): "They that make a graven image are all of them vanity; and their delectable things shall not profit; and they are their own witnesses; they see not, nor know; that they may be ashamed."

How far away is your job? If it's 10 miles or more, the California State Automobile Association says, you are among the 85 per cent of those persons who depend upon private cars to get to work.

### LOCK YOUR CAR

You can't be too careful where and how you leave your car, warns the California State Automobile Association. Car thefts top the nation's list of crimes against property.

### Marine Corps Reserve to Enlist Recruits for Summer Training

The Marine Corps Reserve is accepting a limited number of enlistments of men who wish to attend a 12-week period of recruit training during the summer months, according to Technical Sergeant Floyd C. Doney, of the public information and recruiting office for the Marine Corps Reserve in Alameda County.

Ideal for young men between 17 and 18½ years of age, who are looking for a job during the summer, the recruit training program offers the opportunity for completing the Marines' recruit training obligation. Young men completing this training will not be required to undergo additional training should they enter the regular service in the future. Reservists attending this 12-week period of training will be assigned to platoons of regular Marines and will receive the same training as their regular Marine "buddies." In addition, reservists undergoing recruit training will receive \$78 per

### Albany High School PTA Names New Corps of Officers

Albany High School PTA held an election of officers at the regular meeting on March 8. Those who were elected to office, will be installed at the regular June meeting and will take over their duties in July to serve for the 1956-57 term of office.

Mrs. Lawrence Collins was elected president. She has served as programming, during the current year. She was one of the recipients of an honorary life membership, given by the Albany High PTA, for her fine work with the PTA, the United Nations, and the Berkeley Motion Picture and Television Council. Serving on the executive board under the leadership of Mrs. Collins are the following: Mesdames Charles Keppel, first vice president; George Nesbitt, second vice president; Clarence Huick, treasurer; Lee Siedel, recording secretary; Anthony Rinna, corresponding secretary; Fred Brown, financial secretary; John Zuerner, auditor; Leslie Burman, parliamentarian; Thomas Taylor, delegate to council; Duane Clemens, historian.

The next regular meeting of the high school PTA will be on April 12. It is to be a "social-drama" called "High Pressure Areas."

### Operation Public Schools' Set for Evening of Mar. 21

The sixth and final session of the Albany Adult Education course "Operation Public Schools," scheduled for Wednesday evening, Mar. 21, 7:30 to 9:30, in the Albany High School Cafeteria, will be devoted to the subject, "In Summary—What's Ahead for Albany Public Schools?" The public is invited to attend this meeting free of charge.

### Dessert Whist At St. Ambrose

**ARCHERY HUNTING**

Like to archery hunt? The National Automobile Club reports that Oregon has several special archery reserves for the hunting of deer.

month plus all other allowances during their period of training.

Upon return from recruit training the reservist will be required under the Reserve Forces Act of 1955, to attend 90 per cent of all scheduled drills and a maximum of 17 days summer camp with an organized Reserve Marine Corps reserve unit for the remainder of his military obligation.

Those young men wishing more complete information on the many programs offered by the Marine Corps Reserve may contact Sergeant Boney at the Marine Corps Reserve Training Center, 1244 Clement Ave., Alameda, or telephone LAnd. 3-7181.

### Albany Public Library Exhibits Early Firearms

One of the West's most colorful eras is reflected this week at the Albany Public Library because of the interest of two local boys in guns together with their related historical background.

The exhibit case in the adult reading room features a display of old time revolvers loaned by Ronald Bevenue, twelve year old student at Marin School, whose hobby includes Western history as well as gun collecting.

The guns are shown against a background formed by a map of the Pony Express Route from Saint Joseph, Missouri, to Sacramento, California. The map is decorated with stamps issued in commemoration of historical events and sites along the old route. A sampling of collectors' literature completes the exhibit.

Gerry Conley of 717 Jackson Street, Albany has loaned a set of six prints showing the various models of Colt revolvers ranging from 1836 to 1873. Conley, whose specialty is the collecting of cartridges, is preparing an exhibit for show in the near future.

### Miss Albany' Contest Planned By Jaycee Group

The Albany Jaycees are sponsoring a Miss Albany Contest this April to find the typical young lady characteristic of our fine town. Contestants must be single and between the ages of 18 and 28 years. Some very nice prizes will be given to all contestants.

Everyone's help is needed in the search for Miss Albany. If you know a likely contestant deserving the honor to represent Albany, contact Larry Schultz at L.A. 6-6027, or write to the Albany Jaycee, Box 1, Albany, Calif.
